

Setting up Application environment

Create IBM cloud account

Team ID	PNT2022TMID24313
Date	09 November 2022
Project Name	Plasma Donor Application
Maximum Marks	4 Marks

The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account (Jeyanth Rajesh's Acco...). Below the navigation bar, the main dashboard area is titled 'Dashboard' and includes a 'Create resource' button. The dashboard is divided into several sections:

- For you:** A row of five cards:
 - Build:** Explore IBM Cloud with this selection of easy starter tutorials and services. (Getting started, 5 min)
 - Monitor your resources:** Get visibility into the performance and health of your resources. (Getting started, 5 min)
 - Explore tutorials:** Try out a variety of tutorials to get you started with IBM Cloud or help you with more complex scenarios. (Getting started, 10 min)
 - Create and deploy an application:** Browse our starter kits, and then select one to jump start the process to create and deploy your app. (Getting started, 5 min)
 - IBM Watson Knowledge Catalog:** Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform. (Recommended, 2 min)
- User access:** A section for managing users, with a 'Manage users' link and a text input field for email addresses.
- News:** A section for news, with a 'View all' link. It features a blue card with the headline 'IBM Positioned as a Leader in Gartner® Magic Quadrant™'.
- Planned maintenance:** A section for planned maintenance, with a 'View all' link.
- IBM Cloud status:** A section showing the global status of IBM Cloud, with a 'View all' link. It includes a world map and a green checkmark indicating 'No issues'.
- Recent support cases:** A section for recent support cases, with a 'View all' link. It includes a blue card with the headline 'Clear skies! You can view your scheduled maintenance events here.'
- Usage:** A section for usage, with a 'View usage' link.
